

Grant Terms and Conditions

Credit

All published material and announcements regarding any project or production which is financed in part under this grant must have a special acknowledgment statement: "SOUTH DAKOTA ARTS COUNCIL support is provided with funds from the State of South Dakota, through the Department of Tourism and State Development, and from the National Endowment for the Arts."

Financial Management

Grants made by the National Endowment for the Arts and sub-granted by the South Dakota Arts Council are subject to the following general conditions and requirements:

- Grants are for the period specified in the approved application. Funds must be obligated within the period stated unless an extension has been approved by the Council staff.
- Funds granted shall be expended solely for the activities described in the approved application, unless specific changes have been approved by the Council staff. Any funds granted but not expended or committed shall be returned to the Arts Council at the conclusion of the grant period.
- Funds granted may not be used to pay more than 50% of the total cost of any project or production with the exception of Artist Grants, Artist Collaboration Grants, Traditional Arts Apprenticeship Grants, and Music Residencies for Native American Youth.
- The applicant assures that fund accounting, auditing and monitoring and such evaluation procedures as may be necessary to keep such records as the Arts Council shall prescribe will be provided to assure fiscal control, proper management, and efficient disbursement of funds received through the South Dakota Arts Council. In accordance with 34 CFR 80.21(c), Grantees/subgrantees shall be paid in advance, provided they maintain and demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee and subgrantee. The funds should be requested when they can be expended within a 30-60 day time period.
- Grantees shall establish and maintain accounts in such a manner as to separate grant funds and matching funds and shall reflect all receipts, obligations and disbursement of project funds. Since expenditures of these funds are subject to audit, all financial records, including substantiating documentation (e.g. payroll vouchers, invoices, bills) must be maintained for three years or until a federal audit has been completed and any questions arising from it have been resolved, whichever is the lesser period.
- Grantees shall submit an evaluation to the South Dakota Arts Council within 30 days after the completion of the project. Subsequent grants are dependent upon receipt of completed evaluation reports. See pages 149-151 for a copy of the standard evaluation form.

Federal Compliance

Grantees agree to abide by all federal regulations, including the following:

Fair Labor Standards Act states that all professional performers and related or supporting personnel employed on projects or productions which are financed in whole or in part under the grant shall receive not less than the minimum compensation as determined by the Secretary of Labor. No part of any project or production which is financed in whole or in part under the grant will be performed or engaged in under working conditions which are unsanitary or hazardous or dangerous to the health and safety of the employees engaged in such project or production.

Title VI of the Civil Rights Act of 1964, as amended, provides that no person in the United States shall, *on the grounds of race, color or national origin*, be excluded from participation in, be denied benefits of, or be subject to discrimination under any program or activity receiving federal financial assistance. Title VI also extends protection to persons with limited English proficiency.

Section 504 of the Rehabilitation Act of 1973 provides that no otherwise qualified disabled individual in the United States, as defined in section 7(6)*, shall, *solely by reason of his/her disability*, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal assistance. Under this regulation, a federally funded arts program when viewed in its entirety must be accessible to all persons. The National Endowment for the Arts issued its regulations in 1979 to enforce the existing law. Failure to comply with Section 504 can result in loss of federal funds.

*For the purpose of Section 504, the term “disabled individual” means any person who (a) has a physical or mental impairment which substantially limits one or more of such person’s major life activities, (b) has a record of such impairment, or (c) is regarded as having such an impairment.

A self-evaluation must be on file at your organization. The National Endowment for the Arts has developed a Program Evaluation Workbook which may be used by a recipient to conduct a self-evaluation to determine if it is in compliance with 504 requirements. If you have not previously conducted this self-evaluation, you may wish to request a copy of the Program Evaluation Workbook, free of charge, by contacting the South Dakota Arts Council, 800 Governors Drive, Pierre, SD 57501.
